Academic News

Reading: In phonics, we will work on the long /a/ spelled with ai and ay. We will also learn that the sound of /s/ can be spelled with a cy.

Writing: We will continue our personal narrative writing unit. We will work on generating ideas and selecting an idea to compose. We will practice writing different letters in handwriting. In grammar, we will work on verbs that show these actions happened in the past or present.

Math: We will continue Module 3. We will continue to learn about measurement. We will work on measuring different items using centimeter cubes.

Social Studies: We will continue Unit 6 on how different things have changed over time. We will learn about inventors and inventions that change our lives.

Box Tops are due

Mondays: Gym and Library
Tuesdays: Gym and Computer
Wednesdays: Gym and Art
Thursdays: Gym and Computer
Fridays: Gym and Music

The Week in Review

We had a tough week controlling our behavior! Talking to our friends is taking away a lot of instructional times. In phonics, we worked on long/e/ spelled ey, ei, and y. In grammar, we learned about verbs that do not add s to show more than one. In Math, we started module 3 on measurement and data. We worked on putting items in order from shortest to longest.

Congratulations! Ian Klipstein. is our Star Student this week. We look forward to learning more about our friend Ian.
